

Brian Wilson, Rainbow Eyes

Rainbow eyes, red yellow blue
Rainbow eyes, I see you
Splashing color everywhere that you go
Fireworks explode when you cross the room
The air I breathe shimmers with your bright perfume

Rainbow eyes, rainbow eyes
You paint the world with your love
Rainbow skies, up above

Rainbow eyes flash poetry
Rainbow eyes, can you see me
I wanna walk the world in colors with you
Oh pretty rainbow eyes when you flash my way
Confetti and balloons it's a holiday

Rainbow eyes, rainbow eyes
You paint the world with your love
Rainbow skies, up above

Lavender sunsets silver pink clouds
(???) avenue
Ever green beaches scarlet skies
Nights turquoise blue
Oh multi-colored you
My psychedelic you

My rainbow eyes, magic melody
Rainbow eyes, perfect fantasy
You thrill me with your sweet insanity
In my dreams I kiss you, take you by the hand
In my dreams you let me be your rainbow man

Rainbow eyes, rainbow eyes
You paint the world with your love
Rainbow skies, up above

Rainbow eyes, I love you
Rainbow eyes, I love you
Rainbow eyes, I love you
Rainbow eyes, I love you
Rainbow eyes, I love you
Rainbow eyes, I love you

Rainbow eyes
