

Brian Wilson, Song For Children

Maybe not one
Maybe you too
Wondering

Wondering who
Wonderful you
Wondering

Child, the child, the child, father of the sun

Where is the father (father of the sun)
Father of the child, where is the father, child, the child
Where is the wonderful me (father of the child)
Wonderful you

Though I know what you're wondering
If you are wonderful you
I can stop you wondering if you're my wonderful

Child, child, child
The child, the child
Father of the sun
Child, child, the child
Child, child, child
The child, the child
Father of the sun
Child, child, the child
