

Bride, Jesus Came Back

Jesus came back and found you
at a card table in the back of a pawnshop
Jesus came back and found you
sleeping by the river on them big old nasty rocks

Chorus

Jesus came back

Jesus came back and found you
in love with someone with no name
Jesus came back and found you
swimming like a blind fish in a mammoth cave

Jesus came back and found you
on your front porch waiting for the sun to go down
Jesus came back and found you
all your money buried deep in stony ground
