

# Brighter Colours, Looking for you

You said we'd meet here  
10 days later  
So I took my time  
Standing waiting  
Contemplating  
My thoughts all intertwined

I thought you'd be there  
On the second stair  
Smoking a cigarette  
I listened for your voice  
Breaking through void  
But I haven't heard it yet

Don't know where I'm going  
Don't know what I'll find there but I  
I'm looking for you

Don't know where I'm going  
Don't know what I'll find there but I  
I'm looking for you

So I went to your door  
3rd building, 2nd floor  
But I saw no sign of smoke  
Steeped in the dark  
And I wondered where you are  
And I startled when you spoke

The answer from the phone  
Said that you are gone  
And never coming back  
I took my time  
but I question why  
With noone around me to ask

Don't know where I'm going  
Don't know what I'll find there but I  
I'm looking for you

Don't know where I'm going  
Don't know what I'll find there but I  
I'm looking for you
