

Brightwood, Unspoken

Hidden pieces of my heart
Wait alone for only you
And I sit silent for a while
But time is nothing
When its you on the line

And some day I'll tell you
What you mean to me
I'll tell you I love you and give you all of me
And one day I know I'll find the words to say
I'll tell you I love you and all will fade away

Simple patience
Effortless pain
Circumstances get in the way
But If you're willing to give me a chance
I'll make this promise to save this dance

And someday I'll tell you
What you mean to me
I'll tell you I love you and give you all of me
And one day I know I'll find the words to say
I'll tell you I love you and all will fade away

You will die
I'll try
You will die
And touch the sky
