

Bring Me The Horizon, Football Season Is Over

Why the fuck can I not hail a taxi?

Arm out like a nazi - every cunt's driving past.

Where the fuck is every one?

I can; t see anymore, I can't see anything!

"THE HARDEST PART OF TODAY IS A HANDOVER."

Empty bottles and empty promises.

I got every person I need.

And it's gonna be, one hell of a messy night!

I can't remember last night - I can't remember anything!

"PARTY TIL YOU PASS OUT, DRINK TIL YOUR DEAD. DANCE ALL NIGHT TIL YOU can't

We are done with giving a fuck.
