

# Bring Me The Horizon, It Never Ends

Do you feel different now?

Yes.

Less anxious?

Much less.

Do you have any special feelings?

I feel... like my heart is being touched by Christ

Started off as a one night stand, lingered to a fling.

The sirens and the sergeants didn't seem to mean a thing.

Hide your fangs all you want you still need the blood.

Tell us that its different now, you're up to no good.

Take my hand, show me the way, we are the children that fell from grace.

Take my hand, show me the way, we are the children who can't be saved.

One more nail in the coffin, one more foot in the grave.

One more time I'm on my knees, as I try to walk away.

How has it come to this?

I've said it once, I've said it twice, I've said it a thousand fucking times.

That I'm okay, that I'm fine, that it's all just in my mind.

But this has got the best of me, and I can't seem to sleep.

It's not just 'cause you're not with me, it's 'cause you never leave.

You say this is suicide? I say this is a war.

And I'm losing the battle, man down.

This is what you call love? (This is a war I can't win).

One more nail in the coffin, one more foot in the grave.

One more time I'm on my knees, as I try to walk away.

Everything I loved, became everything I lost.

I've said it once, I've said it twice, I've said it a thousand fucking times.

That I'm okay, that I'm fine, that it's all just in my mind.

But this has got the best of me, and I can't seem to sleep.

It's not just 'cause you're not with me, it's 'cause you never leave.

And It's not just 'cause you're not with me, It's 'cause you never leave.

Every second, every minute, every hour, every day

It never ends, it never ends

Every second, every minute, every hour, every day

It never ends, it never ends

Every second, every minute, every hour, every day

It never ends, it never ends

Every second, every minute, every hour, every day

It never ends, it never ends
