

# Bring Me The Horizon, Sleepwalking

My secrets are burning a hole through my heart  
And my bones catch a fever  
When it cuts you up this deep  
It's hard to find a way to breathe

Your eyes are swallowing me  
Mirrors start to whisper  
Shadows start to see  
My skin's smothering me  
Help me find a way to breathe

Time stood still  
The way it did before  
It's like I'm sleepwalking  
Fell into another hole I dug  
It's like I'm sleepwalking

I'm at the edge of the world  
Where do I go from here?  
Do I disappear?  
Edge of the world  
Should I sink or swim?  
Or simply disappear?

Your eyes are swallowing me  
Mirrors start to whisper  
Shadows start to see  
My skin's smothering me  
Help me find a way to breathe

Seeing as time stood still  
The way it did before  
It's like I'm sleepwalking  
Fell into another hole I dug  
It's like I'm sleepwalking

Wake up!  
Take my hand and  
Give me a reason to start again  
Wake up!  
Pull me out and  
Give me a reason to start again

Time stands still  
(Time stands still)  
Time stands still  
(Time stands still)

Your eyes are swallowing me  
Mirrors start to whisper  
Shadows start to see  
My skin's smothering me  
Help me find a way to breathe

Time stands still  
The way it did before  
It's like I'm sleepwalking  
Fell into another hole I dug  
It's like I'm sleepwalking  
(It's like I'm sleepwalking)  
(It's like I'm sleepwalking)

Time stands still  
The way it did before

It's like I'm sleepwalking
