

# Bring Me The Horizon, sugar honey ice & tea

count down the thunder  
I think we're too close for comfort  
so no don't rock the boat  
and don't calm the storm

god already gave you his answer  
blink, I am sorry its over  
the whistle's been blown  
o think you got the wrong number  
I;m breaking up  
want to make a connection  
can't get no reception  
leave a message after the tone  
cos it's got my head my running 24/7

I don't know if I can figure it out  
it' so messed up  
only one thing I know for sure  
were so full of  
sugar, honey , ice and tea!
