

# British Sea Power, A Wooden Horse

When wooden horses were in use  
I would have built one  
And left it for you

Yeah but I wanted to know  
Yeah I wanted to know  
How much are you?  
How much are you?  
How much are you?  
How much are you?  
Yeah I wanted to know  
Yeah I wanted to know

Oh bring it in and let us see it  
Oh let us see it  
Oh bring it in and let us see it  
Oh let us see it

Oh bring it in  
And let us see it

A token heir means nowt in the hills  
I swear I'm ready  
Ready to kill

Yeah I wanted to know  
Yeah I wanted to know

Oh bring it in and let us see it  
Let us see it  
Oh bring it in and let us see it  
Let us see it

Oh bring it in  
Oh bring it in  
Bring it in  
Bring it in
