

Britney Manson, FASHION

Make it to the high fashion
Make it to the high fashion
Make it to the high fashion
I love double penetration

Walking like a rockstar
Coke and Cola in her car
Thierry Mugler corset
Everybody asking "Who you are?"
Always wearing mini dress
She's so gorgeous, she's successful
Fashion sketch alive
The Main issue of the fashion press
Never heard 'bought "Thank you, next"
Her life is the biggest flex
Screaming Dolce&Gabbana
While she's having anal sex

Style icon, size Zero
And my boots from the Valentino
I'm a selfmade runway queen
And my dad is Alexander McQueen

Make it to the high fashion
Fashion, fashion, a-a-a, fashion
My religion, my confession
Fashion, fashion, a-a, confession
Make it to the high fashion
Fashion, fashion, a-a-a, fashion
I'm addicted to my passion
Fashion, fashion, a-a, fashion

Coming to the Conde Nast
She dates Bill Ka-a-a-a-ulitz
Piergiorgio's dream, he saved her
'Cause the best is saved for last
Calling to Maida
"Mommy, I can't talk, just lemme see"
Fashion week sensation
She got her first Prada exclusive
I can sit with Donatella
You're not, it's not your level
We were partying with Marc Jacobs
Did you call me, bitch? Whatever!
Walking like a rockstar
And this girl is going far
Did you see her closet?
Everything's so trending right now

Style icon, size Zero
And my boots from the Valentino
I'm a selfmade runway queen
And my dad is Alexander McQueen

Make it to the high fashion
Fashion, fashion, a-a-a, fashion
My religion, my confession
Fashion, fashion, a-a, confession
Make it to the high fashion
Fashion, fashion, a-a-a, fashion
I'm addicted to my passion
Fashion, fashion, a-a, fashion

Make it to the high fashion

Make it to the high fashion
Make it to the high fashion
I love double penetration
