

Britney Spears, All That She Wants

All that she wants
Is another baby
She's gone tomorrow, boy
All that she wants
Is another baby, yeah
All that she wants
Is another baby
She's gone tomorrow, boy
All that she wants
Is another baby, yeah
All that she wants
Is another baby
She's gone tomorrow boy
All that she wants
Is another baby, yeah
Needed a fight as an excuse
To get away from me, you've missed use
Sit there make me look guilty
You were leavin', anyway but with me
You have a career, I can tell
I trained you man, oh so well
No more boosting your ego
Your mom's smokin up my
All that she wants
Is another baby
She's gone tomorrow, boy
All that she wants
Is another baby, yeah
All that she wants
Is another baby
She's gone tomorrow boy
All that she wants
Is another baby, yeah
No more chains
That you gave me
Enough of pain
Now I'm craving
Something sweet, so delight
How do you stand sleeping at night?
Silly patterns that I followed
You're so I'm being swallowed
By the one who she loved
They pull you down
You can't see up above
Manipulation was his key
You screw it in 'Cause she was naive
We're not perfect we must say
That now we've gotta run away
All that she wants
Is another baby
She's gone tomorrow, boy
All that she wants
Is another baby, yeah
All that she wants
Is another baby
She's gone tomorrow boy
All that she wants
Is another baby, yeah
All that she wants
Is another baby
She's gone tomorrow, boy
All that she wants
Is another baby, yeah
All that she wants

Is another baby
She's gone tomorrow boy
All that she wants
Is another baby, yeah
All that she wants
Is another baby, yeah
