

# Britney Spears, Circus

Theres only two types of people in the world  
The ones that entertain, and the ones that observe  
Well baby Im a put-on-a-show kinda girl  
Dont like the backseat, gotta be first (oh, oh)  
Im like the ringleader  
I call the shots (call the shots)  
Im like a firecracker  
I make it hot (make it hot)  
I run a tight ship, even though  
I go with the flow  
Now heres a hot tip (list- listen in)  
Get get a front seat when i put on a show  
I feel the adrenaline moving through my veins (hah, hah, hah)  
Spotlight on me and im ready to break (hah, hah, hah)  
Im like a performer, the dancefloor is my stage (hah, hah, hah)  
Better be ready, hope that ya feel the same (hah, hah, hah)  
All the eyes on me in the center of the ring  
Just like a circus (ah, ah, ahaha-hah)  
When i crack that whip, everybody gonna trip  
Just like a circus (ah, ah, ahaha-hah)  
Dont stand there watching me, follow me  
Show me what you can do  
Everybody let go, we can make a dancefloor  
Just like a circus (ah, ah, ahaha-hah, ha, ha, ha, ha, ho, ho, ho)  
Theres only two types of guys out there,  
Ones that can handle me, and the mamma boys are too scared  
But if I brought one down to my lair  
Hed never wanna leave, just sit and stare (oh, oh, oh)  
Im like the candy floss  
Im bad for you (bad for you)  
Im just the elephant  
In the room (in the room)  
And when its rainin, you can come  
Under my big tent  
No need for your umbrella (ella ella)  
Youll like this better, cos its the big event (ahhh)  
I feel the adrenaline moving through my veins (hah, hah, hah)  
Spotlight on me and im ready to break (hah, hah, hah)  
Im like a performer, the dancefloor is my stage (hah, hah, hah)
