

Britney Spears, E mail my heart

It's been hours seems like days since you went away, and all I do is check the screen to see if you're
I'm sorry, oh so sorry, can't you give me one more chance, to make it all up to you?
E-mail my heart and say your love will never die (and I) I know you're out there and I know that you s
I can see you in my mind coming on the line, and opening these letters I've sent a hundred times. Th
