

# Britney Spears, Fillin' Me Up

The way you smile  
The way you taste  
You know I have an appetite  
For sexy things  
All you do is look at me  
It's a disgrace  
What's runnin through my mind is you  
Up in my face  
Your voice is like music to my ears  
Whisper softly and the world just disappears  
Take me higher and just wipe away my fears  
When you're with me  
Oh boy, it's my heartbeat that I hear  
Ooh, ooh baby  
Touch me and I come alive  
I can feel you on my lips  
I can feel you deep inside  
Ooh, ooh baby  
In your arms I finally breathe  
Wrap me up in all your love  
That's the oxygen I need, yeah  
You're fillin me up  
You're fillin me up  
You're fillin me up  
You're fillin me up  
You're fillin me up  
You're fillin me up with your love  
The more you move  
The more I tense  
It's like you got me hypnotised  
I'm in a trance  
Your jersey fits  
It's right at home, between my hands  
And now I hope you know  
That I'm your biggest fan  
Yeah, yeah  
Your voice is like music to my ears  
Whisper softly and the world just disappears  
Take me higher and just wipe away my fears  
When you're with me  
Oh boy, it's my heartbeat that I hear  
Ooh, ooh baby  
Touch me and I come alive  
I can feel you on my lips  
I can feel you deep inside  
Ooh, ooh baby  
In your arms I finally breathe  
Wrap me up in all your love  
That's the oxygen I need, yeah  
You're fillin me up  
You're fillin me up  
You're fillin me up  
You're fillin me up  
You're fillin me up  
You're fillin me up with your love  
You got something that I really want and  
Come here, we don't even have to talk and  
Lay back and let me tell you what I'm thinkin'  
Cause I like you  
Cause I like you  
Baby, baby, baby, baby, baby  
Baby, baby, baby, baby, baby  
Baby, baby, baby, baby, baby  
Baby, baby, baby, baby, baby

Baby, baby, baby, baby, baby  
Ooh, ooh baby  
Touch me and I come alive  
I can feel you on my lips  
I can feel you deep inside  
Ooh, ooh baby  
In your arms I finally breathe  
Wrap me up in all your love  
That's the oxygen I need, yeah  
Ooh, ooh baby  
Touch me and I come alive  
I can feel you on my lips  
I can feel you deep inside  
Ooh, ooh baby  
In your arms I finally breathe  
Wrap me up in all your love  
That's the oxygen I need, yeah  
Baby, baby, baby, baby, baby  
Baby, baby, baby, baby, baby  
Baby, baby, baby, baby, baby  
Baby, baby, baby, baby, baby  
Baby, baby, baby, baby, baby
