

Britney Spears, Gotta Get It

Uh
And it hit my heart
And it hit you hard
And I lose control
And I hit the floor
And I said
Hey, what's your name?
I am here
Going insane
I wanna get
Hit it off
Like I need
So pissed off
And I said
Hey, what's your name?
I am here
Going insane (no)
Gotta go gotta go yeah yeah
Get it yeah (oh)
Gotta go gotta go yeah yeah (oh)
Gotta go gotta go gotta go, oh yeah
Get it get it it won't take
Get it get it it's the way
Get it get it this will take
My debt can pay...
Get it get it real slow way
Get it get it to get some pay
I say, I say (hey)
Ohh, Ohh
Gotta go gotta go yeah yeah
Get it yeah (oh)

Gotta go gotta go gotta go, oh yeah
Get it get it it won't take
Get it get it it's the way

All my way we do some life
Oh to be, to be my man
Get it, get my life
Get it, get my soul
Get it, get my self
And how we roll
Get it, get my life
Get it, get my soul

And how we roll
