Man:

You hear something new at fountains today
People who think young say "Pepsi, please";

Britney:

the lively crowd today agrees
those who think young say, "Pepsi, please";
they choose the right one
the modern light one
now it's Pepsi
*Pepsi
For those who think you

come alive come alive
your in the pepsi generation
your in the pepsi generation
your in the pepsi generation

tastes that beats the others cold
Pepsi pours it on

Pepsi's got that special taste
created for the cold

you've got a lot to live
and Pepsi's got a lot to give

simply irresistible
simply irresistible

turn me up
come feel the joy all around
each generation has found
they've got their own under sound
its time to shout it out
bah bah bah bah
bah bah bah bah
flip that joy of pepsi
*Pepsi
