

Britney Spears, Rock Me In

Rock
Rock

Rockin' headspace
I'm trippin' out
This is my place
What's your about?

If you come over, we can fly together
Let's go

Take me down and you let me in
Spin me all around, I feel so dizzy
I fall in to you
You rock me, you rock me, you rock me in
Can you hold me tight and don't let go?
Take me in your arms and bring me closer
Ohh I want you
You rock me, you rock me, you rock me in

If you want to, we can race
I'm super fast now, you wanna chase
I can fake it, because you're mine
Double time now, so get in line

If you come over, we can fly together
Let's go

Take me down and you let me in
Spin me all around, I feel so dizzy
I fall in to you
You rock me, you rock me, you rock me in
Can you hold me tight and don't let go?
Take me in your arms and bring me closer
Ohh I want you
You rock me, you rock me, you rock me in

Rock me in
You rock me in

My world is spinning 'round you
Don't wanna let you go
I'm lost when you're around me
Take me so far away from here

Look how I'm spinning 'round you
Don't wanna let you go
I'm lost when you're around me
Take me so far away from here

Look how I'm spinning 'round you
Don't wanna let you go
I'm lost and can't be found now
Take me down, take me down

If you come over, we can fly together
Let's go

Take me down and you let me in
Spin me all around, I feel so dizzy
I fall in to you
You rock me, you rock me, you rock me in
Can you hold me tight and don't let go?
Take me in your arms and bring me closer

Ohh I want you
You rock me, you rock me, you rock me in

Rock me in
You rock me in

Rock me in
You rock me in

Rock me in
You rock me in
