

Britney Spears, Talk To Me - Verizon

are you ready for me?
yeah? i thought so.

no, nothing will stop it,
you can waste your time.
yeah you feel desires,
you made up your mind.
can you taste the victory?
feel it burning, burning inside of me

(chorus)
right now (hey)
i will be your champion
this is where we belong
making it happen now (hey)
nothing will stop us,
won't pull us under
it's gonna start right now

there is no end to this, no,
as far as i can see.
and we will not waver,
yeah we can share the dream
can you taste the victory?
feel it burning, burning inside of me.

(chorus)

here we go (who, who said that?)
here we go (who, who said that?)
here we go (who, who said that?)
here we go (who, who said that?)

you wanna do this?

(chorus) x2

it's gonna start, it's gonna start right now.
