

Britney Spears, You Will Never

YOU WILL NEVER

You are weak in me

I can feel it

but do you think I care

If you cry

I will laugh at you

I'm sick of stroking your hair

Could you take it

can you make it

don't wanna fake it

So don't you say that

love is a fight

you don't know what it's like to die

You will never feel it coming, feel it coming

If you choose to walk away from love

You'll be gone and I'll be coming

I am free, I am me

I am breathing

the air that's rightfully mine

Drew the line

you had to go this time

drove the message into your spine

Couldn't take it

couldn't make it

I didn't fake it

Now you can say that

love is a fight

'cause you know what it's like, you died
