

Britnie Simpson, (Yeah) I Wuz Right There

Britnie Simpson
Miscellaneous
(Yeah) I Wuz Right There
You may wanna talk
But that don't mean a thing
You may wanna see more of me
But that don't mean I'll sing
My songs aren't for you
Don't need you
I pleased you
Way too much

CHORUS

Yeah yeah yeah
I was right there
When you called for me
I was with you
When you set me free
I'll never understand
If this feeling will ever end
I
Don't wanna say goodbye

Better yet
Just forget
The days that were hard
Better yet
Just remember
The days we smiled

I don't need you to remind me
That I ain't that perfect
Don't need you to tell me
That I need you

CHORUS

No no don't wanna say
Goodbye

I was right there
I was right there
Yeah yeah yeah
I was right there
With you
With the truth
I'll always be there for you baby
Don't forget
Just remember
I love you
And that
oh yeah
That
I will always be right there
With you
