

# Britny Fox, Freaktown

Smith/Paris

Look at you  
You're a fool and you're over  
You're gone  
Lost Paradise  
Now you're going home

Freaktown  
Come along for the ride  
Freaktown  
Where your dreams have all died

And you're fooling yourself  
for the millionth time

Look at you  
You're a tool and you're over  
You're gone  
Lost Paradise  
Now you're going home

Freaktown  
Come along for the ride  
Freaktown  
Where your dreams have all died
