

Britny Fox, In Motion

D. Davidson

Downtown Philly went upstate New York
went across United States to L.A.
Back through Dallas, Texas now on the east
coast back in Philly where I was raised.

chorus

Oh oh in motion, oh oh come join the band.
Oh oh in motion, oh oh come join the band.

Uptown Friday night lookin' for a good time
action, satisfaction tearin' up the night.
Travellin' by airways makin' some big waves
wheels are turnin' faster we're on our way.

Chorus, bridge, lead, chorus out.
