

BROCKHAMPTON, Boyband

I think the thing that y'all got that's special that people don't have
Is the ability, I guess, when you guys coined the "boyband" of it all? (Yeah)
That element there, nobody got that

We always start outside of the lines
Filmin' videos outside, sunrise
DIY made the crew supersize
Buncha gold records, what a wonderful surprise, uh-oh
My teachers said I wouldn't be shit, yeah
My brother said I shouldn't be here, uh
Uh, we did an album in a week, yeah
Uh, and JOBA mix it by the weekend (Yeah)
No street shit, borderline genius (Woo)
Borderline freakish, dye my hair greenish
Y'all so geekish in the group where we just keep it (Uh, uh)
Keepin' speakers bleedin' (Yeah, yeah, uh-uh, uh-uh)
Yo, summertime needs this (Uh-oh)
Yeah, I said, "Summertime needs this" (Uh-uh, uh, uh)
Yeah, girl, summertime needs this (Uh-oh)
Summertime, yo

My dear friend, what a wonderful surprise
I'ma need to go, I can feel it inside
Yeah, I know I need to go so I can reach new highs
My dear friend, what a wonderful surprise (Woo)
I'ma need to go, I can feel it inside
Yeah, I know I need to go so I can reach new highs

We will try to pretend
In my seat here with the band
