

Brodie, Coffee, Black

Oh no, it's happening again.
Relationship about to end.
He's felt this many times before,
But he'll ignore it once again.
Once again.

Oh no, it's happening again.
Another fight that she won't win.
He's done this many times before,
But she'll ignore it once again.

It's time to wake up and smell the coffee, black.
No longer should you(we,I) ignore the fact
You(we,I) can't deal with this on your(our, my) own.

Oh no, it's happening again.
The voices screaming in my head,
They're even louder than before,
But I'll ignore them once again.
I'll ignore them once again.
