

Broken Social Scene, Anthems For A Seventeen

Used to be one of the rotten ones and I liked you for that. (x3)
Now you're all gone got your make-up on and you're not coming back.
Can't you come back?

Used to be one of the rotten ones and I liked you for that. (x3)
Now you're all gone got your make-up on and you're not coming back.
Bleaching your teeth, smiling flash, talking trash, under your breath.
Bleaching your teeth, smiling flash, talking trash, under your breath.
Bleaching your teeth, smiling flash, talking trash, under your breath.
Bleaching your teeth, smiling flash, talking trash, under my window.
Park that car, drop that phone, sleep on the floor, dream about me. (x13)
Park that car, drop that phone.
Park that car, drop that phone. (dream about me)
Park that car, drop that phone.
Park that car, drop that phone. (dream about me)
Park that car, drop that phone.

Used to be one of the rotten ones and I liked you for that.
Now you're all gone got your make-up on and you're not coming back.
