

Brokencyde, Freaxxx

I walk into the club looking kind of sexy now.
I see these shorties in the corner, they started making out.
They pull their panties down, They take their pants off.
Then they started getting freaky on the dance floor.
Shake it mommy give it to me like you need some love.
I got some bottles in the caddy that we can open up.
Lets get drunk tonight, baby we dont have to fuck.
And bring your friend along, maybe we can have some fun.
Lets get freaky now, lets get fucking freaky now. (x4)
I got these bitches all tipsy trying to sex me.
I know they want it, alcoholics are some sex freaks.
This ex and chronic gots me wanting to get messy.
So lets get messy girls, Come on lets go get messy girls.
Come on bitch, you know you want this.
That hardcore shit will make you feel the toxic.
Fursachi, Rolex watches.
Bently coups with the 20s droppin.
Convertible top, and the wheels spin.
I can taste that ice when my grill is in.
If you want me baby feel me in.
Cause I dont waste my time with lesbians.
Lets get freaky now, lets get fucking freaky now. (x4)
LIAR! (x8)
Oh baby why did you have to lie to me.
I cant play no more games.
These thoughts are slowly controlling me.
Youre turning off the flame.
So GO baby GO baby.
You dont want me.
So GO baby Go baby.
Come and get me.
So GO baby GO baby.
You dont want me.
So GO baby Go!
