

Brooke Fraser, Lifeline

I have this sinking feeling
Something's weighing me down
I am completely saturated
The waves are crashing closer
My feet already drowned
Doing the thing I said I hated

They've been swimming in the wrong waters
Now they're pulling me down
But I am clinging to you never letting go
Cause I know that you'll lift me up

Have your way
Keep me afloat
Cause I know I'll sink without you
Take this ocean of pain that is mine
Throw me a lifeline

I wake up feeling convicted
I know some things aren't right
Reacquaint my kness with the carpet
I have to get this out
Cause it's obstructing you and I
Dry up the seas that keep us parted

Cause they've been swimming in the wrong waters
Now they're pulling me down
But I am clinging to you never letting go
Cause I know that you are gonna pull me out

Have your way
Keep me afloat
Cause I know I'll sink without you
Take this ocean of pain that is mine
Throw me a lifeline

ooooooooo ohhhh yeah

They've been swimming in the wrong waters
And now they're pulling me down
But I am clinging to you never letting go
Cause I know (I won't let go, I won't let go)
Cause I know (I won't let go, I won't let go)
Yeaaaaaaaah
That you'll have your way
Keep me afloat
Cause I know I'll sink without you
Take this ocean of pain that is mine
Yeaaaaaaaah
Have your way
Keep me afloat
Cause I know I'll sink without you
Take this ocean of pain that is mine
Throw me a lifeline
