

Brooke Fraser, Reverie

I'm having trouble remembering
Where the lines cross your face
Your smile is fading from memory
Won't you hurry back and fill that space again

I'm waiting, watching the water (ooh ooh)
Quietly willing the phone to ring (ooh ooh)
But I suspect this healthy silence (ooh ooh)
Will continue a few days yet, a few days yet (ooh ooh)

[Chorus]
I miss you
I miss you
I'm over now
I'm through
I miss you...

Do do do do do mm-mm

I'm hanging here, just reminiscing (ooh ooh)
About all the things you said to me-yea (ooh ooh)
Hoping you plan on returning-yo (ooh ooh)
To interrupt my reverie

'Cause I miss you
I miss you, baby
I'm over now
I'm through
I miss you

You're sweet, sweeter than honey tea
You're precious and worth more than gold to me
I know I acted selfishly
Come on home

I'll beg and plead if you need me to
I'm head over heels over feet for you
Gonna have you wed by the end of this tune
Well I hope

I miss you
I miss you (hey hey)
Don't say we're done (ooh)
We ain't through

(Ooh...) ooh...
(Ooh...) mmm

(Ooh ooh ooh ooh ooh)
(Ooh ooh ooh ooh ooh) mm-mm-mm
(Ooh ooh ooh ooh ooh) mmm..
(Ooh ooh ooh ooh ooh) mm-mm
