

Brooke Hogan, Love Rider Jeans

Hey guys have you seen my dun dun duns

My da da da duns duns duns

I will play you just like this

Cruisin down the 101

At a stoplight

Everybody's havin' fun

Gonna get right

Platinum hair and rocker boots

I'm the biggest trucker news

Stompin' in my gator boots

I think you better run

You think I'm sexy cool

Just watch I'll see ya drool

Stop lookin' up and down

There's more of you to go around

Don't say I'm just a ditz

A tease

Or just a flit

Cause I will promise this

I will play you just like this

Low rider jeans

Hug a little tighter

Oh yeah

Low rider jeans

Hug a little lower

Oh no

You think I'm sexy cool

Just watch I'll see ya drool

Stop lookin' up and down

There's more of you to go around

Don't say I'm just a ditz

A tease

Or just a flit

Cause I will promise this

I will play you just like this

Don't say I'm just a ditz

A tease

Or just a flit

Cause I will promise this

I will play you just like this

Tick tock on the clock

Lemme see you work

Everybody's screamin

Pretty fly for a white girl

Lemon expedition

Black on black

New edition

Kinda not butreally hot

Whatta think I can't pop

My thighs my hips my eyes

Have got ya goin' crazy

My lips my thighs my eyes

Have got ya goin' crazy

Oh

Uno dos tres

Low rider jeans

Hug a little tighter

Oh yeah

Low rider jeans

Hug a little lower

Oh no

You think I'm sexy cool

Just watch I'll see ya drool

Stop lookin' up and down

There's more of you to go around
Don't say I'm just a ditz
A tease
Or just a flit
Cause I will promise this
I will play you just like this
You think I'm sexy cool
Just watch I'll see ya drool
Stop lookin' up and down
There's more of you to go around
Don't say I'm just a ditz
A tease
Or just a flit
Cause I will promise this
I will play you just like this
