

# Brooklyn Bridge, The Worst That Could Happen

Girl, I heard you're getting married  
Girl, I heard you're getting married  
This time you're really sure  
And this is the end  
They say you really mean it  
This guy's the one that makes you feel  
So safe, so sane and so secure  
And baby if he loves you more than me  
And baby if he loves you more than me  
Maybe it's the best thing  
Maybe it's the best thing for you  
But it's the worst that could happen to me.  
I'm never gettin' married, never gettin' married  
You know that's not my scene  
But a girl like you needs to be married  
I've known all along you couldn't live forever  
in between.  
And baby if he loves you more than me  
And baby if he loves you more than me  
Maybe it's the best thing  
Maybe it's the best thing for you  
But it's the worst that could happen to me.  
And girl I don't really blame you  
For having a dream of your own  
Hey girl I don't really blame you  
A woman like you needs a house and a home.  
Baby if he really loves you more than me  
Maybe it's the best thing  
Maybe it's the best thing for you  
But it's the worst that could happen to me.  
Oh girl don't wanna get married  
Girl I'm never, never gonna marry  
Oh it's the worst thing that could happen  
Oh girl.....
