

Brooks & Dunn, Brand New Man

[Chorus:]

I saw the light
I've been baptised
By the fire in your touch
And the flame in your eyes
I'm born to love again
I'm a brand new man

Well the whole town's talking
'Bout the line I'm walking
That leads right to your door
Oh how I used to roam
I was a rolling stone

I used to have a wild side
They say a country-mile-wide
I'd burn those beer joints
down
That's all changed now
You turned my life around

[Repeat Chorus]

I used to love 'em and leave
'em
I'd brag about my freedom
How no one could tie me
down
Then I met you
Now my heart beats true

Baby you and me together
Feels more like forever
Than anything I've ever
known
We're right on track
I ain't looking back

[Repeat Chorus 3 times]

I'm born to love again
I'm a brand new man
