

Brooks & Dunn, Heartbroke Out Of My Mind

Well I'm flyin' high and feelin' low
Drinkin' hard and dancin' slow
I'm gonna shine my buckle to George Jones
Heartaches are hot on my heels, bartender the race is on

She's gone for good and I'm goin' to town
I'm gonna live it up, ya livin' her down
Jose pick me up and get me on my feet
So I can scoot a boot to that two-four jukebox beat

I'm heartbroke out of my mind
Pardon me boys if I get a little out of line
It's just temporary insanity
Till I get over what she did to me
I'll be heartbroke out of my mind

B.Y.O.T
I brought my own trouble tonight
I'm gonna get this bein' done wrong down right
Ya saddle me up boys I'm goin' in
They say when you fall off, well climb right back up again

I'm heartbroke out of my mind
Pardon me boys if I get a little out of line
It's just temporary insanity
Till I get over what she did to me
I'll be heartbroke out of my mind

It's just temporary insanity
Till I get over what she did to me
I'll be heartbroke out of my mind
Oh I'm just heartbroke out of my mind
