

Brooks & Dunn, How Long Gone

I keep thinkin' any minute you'll be comin' home honey
I aint seen nothin' of you in a month of Sundays
Tell me how long gone are you gonna be

All you said was you had to get goin'
Oh but baby I wouldnt mind knowin' just
How long gone are you gonna be

How am I supposed to make any plans
When I still dont even understand
If you're ever gonna come back home to me
How long gone are you gonna be

Maybe I didnt pay enough attention
But I do believe you forgot to mention
Just how long gone are you gonna be

The phone aint ringin', cause you still aint callin'
I aint been hearin' your footsteps fallin'
Tell me how long gone are you gonna be

How am I supposed to make any plans
When I still dont even understand
If you're ever gonna come back home to me
Tell me please
How long gone are you gonna be
