Brooks & Dunn, I Can't Get Over You

(Ronnie Dunn/Terry McBride) I forget where I'm goin' in my own house I got myself in this, I'll get myself out I talk out loud, at the top of my voice I sing Whoa keep the faith, see what tomorrow brings I can't get over you Try as I may oh it no use My heart just cant leave you alone My mind wont believe you're gone I can't get over you I got a front row seat here to a fool's masquerade And that fool in the mirror keeps sayin' I'm doin' ok I stare at that door that you walked out It hits me hard and leaves no doubt I can't get over you Try as I may oh it no use My heart just cant leave you alone My mind wont believe you're gone I can't get over you I can't get over you Try as I may oh it no use My heart just cant leave you alone My mind wont believe you're gone I can't get over you
