

Brooks & Dunn, I'll Never Forgive My Heart

Hello heartache who let you in
I swore the last time never again
Back together just you and me
Where's you old friend Mr. Misery

I went and did it I dropped my guard
I fell in and I fell hard
Now she's sayin' she's found someone new
How could I have been such a fool

Oh close the door turn out the lights draw the curtain
I'll get over her in time it's gonna take some hurtin'
I tell myself I told you so as I fall apart
I can't blame love
But I'll never forgive my heart

Oh close the door turn out the lights draw the curtain
I'll get over her in time it's gonna take some hurtin'
I tell myself I told you so as I fall apart
I can't blame love
But I'll never forgive my heart

I can't blame love
But I'll never forgive my heart
