

# Brooks & Dunn, I'll Never Forgive My Heart

Hello heartache who let you in  
I swore the last time never again  
Back together just you and me  
Where's your old friend Mr. Misery

I went and did it I dropped my guard  
I fell in and I fell hard  
Now she's sayin' she's found someone new  
How could I have been such a fool

Oh close the door turn out the lights draw the curtain  
I'll get over her in time it's gonna take some hurtin'  
I tell myself I told you so as I fall apart  
I can't blame love  
But I'll never forgive my heart

Oh close the door turn out the lights draw the curtain  
I'll get over her in time it's gonna take some hurtin'  
I tell myself I told you so as I fall apart  
I can't blame love  
But I'll never forgive my heart

I can't blame love  
But I'll never forgive my heart
