Brooks & Dunn, Missing You

Everytime I think of you I always catch my breath And I'm still standing here and your miles away And I'm wondering why you left And there's a storm that's raging Through my frozen heart tonight

I hear your name in certain circles And it always makes me smile I spend my time thinking about you And it's almost driving me wild And there's a heart that's breaking Down this long distance line tonight

I ain't missing you Since you've been gone...away I ain't missing you No matter what I might say

There's a message in the wire and I'm sending you this signal tonight You don't know how desperate I've become And it looks like I'm losing this fight In your world I have no meaning I try so hard to understand And it's my heart that's breaking Down this long distance line tonight

I ain't missing you Since you've been gone...away I ain't missing you No matter what my friends say

There's a message that I'm sending out Like a telegraph to your soul And if I can't bridge this distance Stop this heartbreak overload

I ain't missing you Since you've been gone...away I ain't missing you No mater what my friends say I ain't missing you I ain't missing you
