

# Brooks & Dunn, Till My Dyin' Day

(Kix Brooks/Paul Nelson)

Sometimes I think about how lucky I am  
To live where I do, to be what I can  
And to know that you're mine when I'm holding you close  
And to never forget  
What matters the most  
I'm gonna run with the wind behind me  
Have fun when the sun is shining  
Stop when the world reminds me  
Got to take the time to pray

Chorus  
Fight for the right to be free  
Smile at what my children might be  
Live with you beside me  
Oh, till my dyin' day

As long as we are here, you know I'll always be there  
If we're down to nothing we've still, still got so much to share  
I know I've been givin' way more than I deserve  
I'm gonna live every day like it was my last  
Baby, I'll always put you first

Repeat Chorus

I'm gonna walk on the road less traveled  
Yeah, sit tall in the saddle  
Know when I pick my battles  
Not to be afraid

Fight for the right to be free  
Smile at what my children might be  
And live with you beside me  
Till my dyin' day

Repeat Chorus
