

# Brooks & Dunn, You're Gonna Miss Me When I'm

I'm still hurtin' from the last time  
You walked on this heart of mine  
I can't find much to believe in  
You let me down so many times  
Heaven knows how I love you  
But I'm tired of holding on  
You better kiss me  
'Cause your gonna miss me when I'm gone

Not much chance we're gonna make it  
If I'm the only one who's trying  
You know I'm running out of reasons  
And we're running out of time  
Someday, girl, you're gonna wake up  
And wonder what went wrong  
You better kiss me  
'Cause your gonna miss me when I'm gone

You're good at going through the motions  
All I hear are alibis  
Not I get this empty feeling  
When I look into your eyes  
I don't see a love light shining  
I don't know what's going on  
You better kiss me  
'Cause your gonna miss me when I'm gone

You better kiss me  
'Cause your gonna miss me when I'm gone

You better kiss me  
'Cause your gonna miss me when I'm gone
