

Brotherhood Of Man, My Sweet Rosalie

It was late; I didn't have a special date.
I was sitting on a park bench by the lake.
I heard a cry and very much to my surprise
Someone kissed me made me open up my eyes.
I turned around to solve this mystery
And who d'ya think was sittin' next to me?

My sweet Rosalie
though she always plays around
She never brings me down
my sweet Rosie.

Sweet Rosalie
she is always full of fun
I'm the only one for my Rosie
my sweet Rosie.

We started home
it was almost time for tea.
It's been a good day for me and Rosalie.
It's fun together 'cos we're such a perfect pair
And when I want her I know she's always there.
She's ev'rything a guy could ever need
I love her
oh I love her yes indeed.

My sweet Rosalie

. . .

She's the only one for me
The cutest little puppy dog you'll see.
