

Brown Boy, Livin Shady

[Chorus x2]

I've been livin' shady
Cheatin' on my lady
Ever since she left me
I've been goin' crazy
Thinkin' about my baby
I know I did you wrong
Just listen to my song
I wanna make it up to you (make it up)
Now I know that you leavin' cuz
It feels like im not breathin'
Pain up in my chest
At night I can't rest
Cuz I toss and turn
This feelin' inside
Oh how it burns (oh how it burns)
To see you go away
And I guess it's true what they say
When you're heart goes to play
You lose the one you love (make it up)
That's somethin' that i
Never thought of
Now you walkin' out my life (my life)
Without you in my life
I got nothin' left (nothin' left)
I should've never came home with hickeys on my neck
The hang ups on the phone ain't helpin' you stress
Cuz your tears keep fallin' like rain
I can't embrace the pain (make it up)
I can only try to change

[Chorus x2]

I've been livin' shady
Cheatin' on my lady
Ever since she left me
I've been goin' crazy
Thinkin' about my baby
I know I did you wrong
Just listen to my song
I wanna make it up to you (make it up)
I know I ain't livin' right
I don't expect you to take me back
(Make it up)
And I don't expect you to forgive me
But baby just listen to me (make it up)
I've been up and down
And all around
Searchin' for you baby (baby)
Cuz ever since you left me
I've been goin' crazy (crazy)
Im losin' my mind
Thinkin' of you all the time
Wishin' I could press rewind (make it up)
To get you back one more time
If I get another try
I will never make you cry (never make you cry)
I promise (I promise)
To give you the best
Never the less
Treat you like my princess
And love you till the death
Till death do us part
You will stay in my heart (make it up)
Siempre in mi corazon
Simple en mi vida

For life por vida
Tu eres mi chika tan linda (linda)
And I plan to make things right
Cuz next time around im gonna' make you my wife (make it up)
[Chorus x2]
I've been livin' shady
Cheatin' on my lady
Ever since she left me
I've been goin' crazy
Thinkin' about my baby
I know I did you wrong
Just listen to my song
I wanna make it up to you (make it up)
Just tell me what I can do to make it better
I'll do anything
And im sorry I made you cry
I cheated and I lied
If there was some way that I could take all back (make it up)
I'll do anything
Just tell me
Tell me what to do
Cuz I wanna make it up to you (make it up)
[Chorus x2]
I've been livin' shady
Cheatin' on my lady
Ever since she left me
I've been goin' crazy
Thinkin' about my baby
I know I did you wrong
Just listen to my song
I wanna make it up to you (make it up)
Now you know I'm doin' this song
To make it up to you baby
I just wanna' let you know I'm real
And I'm here for you
No matter what happens
(Make it up)
(To you)
