Bruce Springsteen, Candy's Room

In Candy's room there are pictures of her heroes on the wall But to get to Candy's room you gotta walk the darkness of Candy's hall Strangers from the city call my baby's number and they bring her toys When I come knocking she smiles pretty she knows I wanna be Candy's boy There's a sadness hidden in that pretty face A sadness all her own from which no man can keep Candy safe We kiss my heart's pumpin' to my brain The blood rushes in my veins fire rushes towards the sky We go driving driving deep into the night I go driving deep into the light in Candy's eyes She says baby if you wanna be wild you got a lot to learn, close your eyes Let them melt let them fire let them burn `Cause in the darkness there'll be hidden worlds that shine When I hold Candy close she makes these hidden worlds mine She has fancy clothes and diamond rings She has men who'll give her anything she wants but they don't see That what she wants is me, oh and I want her so I'll never let her go no no no She knows that I'd give all that I got to live All that I want all that I live to make Candy mine Tonight
