

# Bruce Springsteen, Do I Love You (Indeed I Do)

C'mon  
Here I am on bended knees  
I lay my heart down at your feet  
Do I love you?

All you have to do is ask  
I'll give until there's nothing left  
Do I love you?

As long as there is life in me  
Your happiness is guaranteed  
I'll fill your heart with ecstasy  
Darling

Do I love you?  
Tell me now  
Do I love you?  
Ooh, ooh  
Do I love you?  
Indeed, I do  
Oh darling, indeed I do

The very thing that I want most  
Is just to have and hold you close  
Do I love you?

From morning until late at night  
You fill my heart with pure delight  
Do I love you?

Whenever I lay me down to sleep  
I pray the Lord your soul to keep  
And bring it on home safe to me  
Darling

Do I love you?  
C'mon darling  
Do I love you?  
Ooh, ah  
Do I love you?  
Indeed, I do  
Sweet darling, indeed I do  
C'mon

Now whenever I lay me down to sleep  
I pray the Lord your soul to keep  
And bring it home safe to me  
Darling

Do I love you?  
Oh, tell me now  
Do I love you?  
Oh, darling  
Do I love you?  
Indeed, I do  
Sweet darling, indeed I do  
Oh baby, indeed I do  
Hello baby, indeed I do
