

Bruce Springsteen, Human Touch

You and me we were the pretenders
We let it all slip away
In the end what don't surrender
Well the world just strips away

Girl aint no kindness in the face of strangers
Aint gonna find no miracles here
Well you can wait on your blessings my darlin'
But I got a deal for you right here

I aint lookin' for prayers or pity
I aint comin' round searchin' for a crutch
I just want someone to talk to
And a little of that human touch
Just a little of that human touch

Aint no mercy on the streets of this town
Aint no bread from heavenly skies
Aint nobody drawin' wine from this blood
It's just you and me tonight

Tell me in a world without pity
Do you think what I'm askin' too much?
I just want something to hold on to
And a little of that human touch
Just a little of that human touch

Oh girl that feeling of safety you prize
Well it comes with a hard hard price
You can't shut off the risk and the pain
Without losin' the love that remains
We're all riders on this train

So you been broken and you been hurt
Show me somebody who aint
Yeah I know I aint nobody's bargain
But hell a little touchup
And a little paint...

You might need somethin' to hold on to
When all the answers they don't amount to much
Somebody that you can just talk to
And a little of that human touch

Baby in a world without pity
Do you think what I'm askin' too much?
I just want to feel you in my arms
And share a little of that human touch...
