

# Bruce Springsteen, I Wanna Marry You

I see you walking, baby, down the street  
Pushing that baby carriage at your feet  
I see the lonely ribbon in your hair  
Tell me I am the man for whom you put it there  
You never smile girl, you never speak  
You just walk on by, darlin' week after week  
Raising two kids alone in this mixed up world  
Must be a lonely life for a working girl

(Chorus)

Little girl, I wanna marry you  
Oh yeah, little girl, I wanna marry you  
Yes I do  
Little girl, I wanna marry you

Now honey, I don't wanna clip your wings  
But a time comes when two people  
should think of these things  
Having a home and a family  
Facing up to their responsibilities

They say in the end true love prevails  
But in the end true love can't be no fairytale  
To say I'll make your dreams come true would be wrong  
But maybe, darlin', I could help them along

(Chorus)

My daddy said right before he died  
That true, true love was just a lie  
He went to his grave a broken heart  
An unfulfilled life, makes a man hard

Oh, darlin'  
There's something happy and there's something sad  
'Bout wanting somebody, oh so bad,  
I wear my love darlin', without shame  
I'd be proud if you would wear my name
