

Bruce Springsteen, Leavin' Train

When I asked you if everything is alright
You whisper &"Don't worry&" and you shut out the light
Now black is black in this bed we're laying
And I wanna believe the words that you're saying

CHORUS

But your eyes look like a leavin' train
They keep on dragging me down
Your eyes look like a leavin' train
They keep on draggin'
They keep on draggin'
They keep on draggin' me down

Well I did anything just to try to get close to you
I took it step by step like a man's supposed to
Tell me now, is this my
Is this my contrition
To have the love that I longed for fill me with suspicion

CHORUS

Now it's tellin' time, oh my little sister
Now can I believe the words, the words of love you whisper
Is my train in vain, has my soul gone to waste
Am I just a victim of, a victim of my lost faith
