## Bruce Springsteen, Man's Job

Well you can go out with him Play with all of his toys But takin care of you darlin Aint for one of the boys Oh theres somethin in your soul That hes gonna rob And lovin you baby lovin you darlin Lovin you woman is a mans mans job Lovin yous a mans job baby Lovin yous a mans job Lovin yous a mans job baby Lovin yous a mans job

Well now his kisses may thrill Those other girls that he likes But when it comes to treatin A real woman right Well all of his tricks No they wont be enough Cause lovin you baby lovin you woman Lovin you darlin is a mans mans job Lovin yous a mans job baby Lovin yous a mans job baby Lovin yous a mans job baby Lovin yous a mans job baby

Youre dancin with him hes holding you tight Im standing here waitin to catch your eye Your hands on his neck as the music sways All my illusions slip away

Now if youre lookin for a hero Someone to save the day Well darlin my feet Theyre made of clay But lve got somethin in my soul And I wanna give it up But gettin up the nerve Gettin up the nerve Gettin up the nerve is a mans mans job Lovin yous a mans job baby Lovin yous a mans job Lovin yous a mans job voman Lovin yous a mans job
