

Bruce Springsteen, My Love Will Not Let You Down

At night I go to bed but I just can't sleep
I got something running around my head
That just won't keep
In the silence I hear my heart beating, time slippin' away
I got a time bomb ticking deep inside of me
I gotta tell you what I wanna say
I keep searching for you, darling
Searching everywhere I go
And when I find you there's gonna be
Just one thing that you gotta know
My love will not let you down
My love will not let you down

At night I walk the streets looking for romance
But I always end up stumbling in a half-trance
I search for connection in some new eyes
But they're hard for protection from too many dreams passed by
I see you standing across the room watching me without a sound
Well I'm gonna push my way through that crowd, I'm gonna tear all your walls
down
Tear all your walls down
My love will not let you down
My love will not let you down

Well hold still now darling, hold still for God's sake
'Cause I got me a promise I ain't afraid to make
My love will not let you down
