

Bruce Springsteen, The Long Goodbye

My soul went walkin but I stayed here
Feel like I been workin for a thousand years
Chippin away at this chain of my own lies
Climbin a wall a hundred miles high
Well I woke up this morning on the other side
Yeah yeah this is the long goodbye
Hey yeah this is the long goodbye

Same old faces its the same old town
What once was laughs is draggin me now
Waitin on rain hangin on for love
Words of forgiveness from some God above
Aint no words of mercy comin from on high
Oh no just a long goodbye
Yeah yeah just one long goodbye

Well I went to leave twenty years ago
Since then I guess I been packin kinda slow
Sure did like that admirin touch
Guess I liked it a little too much

The moon is high and here I am
Sittin here with this hammer in hand
One more drink oughta ease the pain
Starin at that last link in the chain
Well lets raise our glass and let the hammer fly
Hey yeah this is the long goodbye
Hey yeah this is the long goodbye
Kiss me baby and were gonna fly
Hey yeah this is the long goodbye
Yeah yeah this is the long goodbye
Hey yeah this is the long goodbye
Kiss me baby cause were gonna ride
Yeah yeah this is the long goodbye
